## Chapter 15 Teasing

After three days, Anna Jian was transferred to the Gongguān department for three days, and he didn't make a cent. raised his eyes and glanced at the time, 2307, this point is when the night is getting more lively.

The whole gongguān department was deserted, and she was the only one left in the lounge. The colleagues in the same department went out to do tasks. To be honest, everyone in Donghuang's gongguān department made a lot of money. Ordinary people, those rich and powerful businessmen are very generous.

Although Anna Jian has only been here for three days, she has heard about it. The last time she was in the stairwell and Soros was ambiguous, she was still showing off yesterday. A wealthy businessman from Hong Kong was generous and gave her fifty thousand for a tip. .

Ten fifty thousand is five hundred thousand, and one fifty thousand is five million... so that she can do what the man wants and be free.

He shook his head... That was Jenny, not her. Danny Shen said: You can sell the ugly and the stupid and the poor. But now she doesn't even have a chance to sell the ugly and stupid.

"Anna, come with me." The door was pushed open from the outside, and Anna followed the voice and looked over, it was Alora Smith.

"Sister Alora." She stood up quickly, and followed Alora Smith out without saying a word.

"Don't you ask me where I want to take you?" Alora Smith raised an eyebrow and asked, "If you don't ask clearly, come out with me? Aren't you afraid that I will sell you?"

Anna Jian smiled: "Sister Alora, I'm not worth the money."

The woman who said that she was worthless with a faint smile made Alora Smith who led the way in front of her heart. But soon, it returned to nature. Lead Anna Jian into a changing room.

Alora Smith stuffed Anna Jian a piece of clothing: "Hurry up and change it."

Anna Jian blinked, the clothes in her hands were a little hot: "Alora, this..."

Alora Smith looked at Anna Jian with some pity: "Hey, put it on. Mr. Shen ordered it." Alora Smith pointed to the clothes in Anna Jian's hands: "This clothes was also sent by Mr. Shen."

Alora Smith was also afraid that Anna would not be obedient and still had a headache. How to convince Anna, but the woman opposite dropped her head, turned her back, and silently changed into her clothes.

The clown suit was worn on Anna's body, and Alora Smith called someone to put makeup on her. Anna Jian sat quietly in front of the makeup mirror, letting the makeup artist turn her face into a clown look.

The ball has a red nose, a big red mouth with a cracked smile, a face, and the graffiti cannot see the original appearance.

Alora Smith Wuwei Chen Za, led Anna Jian up to the sixth floor: "Let's go, go in. In this box, there are a group of brothers from Beijing. The brothers are tired of everything. They come to Donghuang and want to see it. Clown performance." Alora Smith said, suddenly realizing that he had said too much, and quickly said to Anna Jian: "Little boy..."

Before he finished speaking, Anna Jian interrupted: "Sister Alora, I still have to save the five million. Thank you for giving me this opportunity."

Alora Smith stopped outside the box, unable to tell what it was like. After a long while, she raised her hand and knocked on the door, and pushed Anna Jian in. His face was replaced with an accidental smile: "Mr. Shen, the clown is here. Up."

Anna Jian suddenly raised his head...Why is Danny Shen here? ! She thought it was just a group of young men from the capital!

Danny Shen is there! He did it on purpose! Deliberately want to see her humble, see her embarrassed, see her suffering!

"Joker, come on, laugh." On the black diamond-studded sofa, sitting cynically a big boy, black and white striped t-shirt, tight jeans, and a silver chain hanging around his neck, full of hip-hop. .

This big boy is in his early twenties, with his dyed flax hair, revealing his youth and frivolousness.

He was sitting on the sofa with a big grin and saw Anna Jian coming in. He suddenly leaned forward, and the chain swayed in the air. The older boy pointed at himself and laughed at Anna Jian: "Come on, clown to the little master. Smile, point here, yes, smile well, Xiaoye rewards you." The thick stack of banknotes slammed at Anna Jian's feet without hesitation.

The insult is stronger.

Anna Jian's eyelashes trembled uncontrollably, but suddenly raised her head and pulled out a big smile. With the heavy clown makeup, she was even more flattering.

"Nonono, this smile is not enough, change another." The big boy shook his index finger coolly, "Do you want money? Smile harder."

Anna Jian lowered his head, the pink Grandpa Mao fell in his eyes, Anna Jian's pupils shrank, her every move fell into Danny Shen's eyes, and the man's eyes flashed with gloom.

Raising her head again, Anna Jian blinked, the corners of her mouth opened wider and wider, revealing a row of large white teeth, coupled with exaggerated clown lips, making her smile very funny.

"Hahaha... it's fun, it's fun!" The big boy laughed loudly and greeted the few people next to him together: "Hey! Do you think she looks like a fool?"

The heavy clown makeup concealed Anna Jian's stiff smile, and shouts and applause sounded all around. The boys laughed and clapped their hands and shouted at each other: "This is funny! Now, the money is yours."

At this moment, Anna Jian didn't know whether to be happy or sad.

"Pick it up? I told you it. Don't want it?"

"Think..." She said shamefully.

"Just squat down and pick it up if you want, and that's yours." The boy raised his brows and said naturally.

Danny Shen was hidden in the darkness, her eyes darker than late at night. Watching all this indifferently.

Jane Tong lowered her eyes, under heavy clown makeup, her face was as pale as paper, but what about that? In the dimness, Anna Jian laughed at himself... Money, it's a good thing. She can buy it freely, can't she?

Three years ago, he sent her to prison, and since then, she has no freedom again.

Three years later, she was released from prison, and he locked her freedom with a huge amount of five million...No, she promised that stupid girl's dream, she must realize it!

Anna Jian knelt down and picked up a stack of banknotes on the ground. Just about to stand up, the boy's playful laughter came over his head: "I like money? I lack everything, but I don't need money. Today, you Let the little master have fun, little master has some money to reward you."

While talking, it was raining banknotes in the sky, and a lot of banknotes were falling one after another. Anna Jian watched in astonishment as the boy was holding stacks of banknotes and throwing money into the air.

What is this...?

"Do you like it? The little master will show you to play." The elder brother of the son said freely and freely: "Don't stand up either, the little master will give you one minute, lie on the ground to pick up money, and whatever you find is yours. If you have the ability, pick up all the money on the ground without falling, and the little master will reward you with another fifty thousand dollars."

In a corner no one saw, Anna Jian's hands were shaking...not excitement, but pain in the depths of his soul!

How to do?

Pick it up or not?

I heard how happy it is to pick up money... But why, her heart is so sad?

## Chapter 16 There Is No Most Humiliation

"I..." She opened her mouth, instinctively wanting to refuse, and Danny Shen in the darkness quietly curled her lips... He said that the proud Anna really couldn't let go of dignity and endured such humiliation.

"Am I really picking up all the money on the ground in one minute? All the money is mine? You will also give me an extra 50,000 yuan as a reward?"

Anna Jian couldn't say the word "no" after "I". Before her eyes, she appeared in the prison again. The only silly girl who treated her well, the yearning for her dreams while she was still alive, her heart turned to battle. In time, Anna Jian changed his plan abruptly... Dignity? Does she have any more?

Jane Tong now has nothing, family, relatives, friends, and the past, she is only herself.

Also... what dignity!

The son-in-law smiled and said, "Of course, I speak up." There was a little sneer in his eyes, and he glanced down at the funny woman on the ground.

"Okay." The hoarse and dark voice was terribly ugly. Naturally, no one would deliberately listen to the sorrow hidden in her words. In front of everyone, Anna Jian was crawling on the ground, and some people were laughing and pointing at her: "Li Little, look, does it look like your stupid dog?"

I heard the big boy who threw Anna Jian's money "cut" and hummed, "Are you blind? My roke is a male dog."

"Oh, oh, yes!" The man giggled and smiled wretchedly: "Your roke is a male dog, then this is just a female dog. Hahaha~"

The ridicule and ridicule came one after another, Anna Jian bit his lip fiercely, and desperately picked up money from the ground. The money was sprinkled from the air and scattered everywhere. Anna Jian had to crawl and move to be able to pick up and fall everywhere. Yes money.

Jane Tong, don't listen, don't care!

Anna Jian, what are these? Compared to everything you've experienced in prison, you should thank these boys for their kindness!

Anna Jian, your life is worthless, what is your dignity worth?

Anna, remember, you owe a young girl a life, a dream of Erhai Lake!

Anna Jian, you have nothing now, since only you are left, then use all of you to repay the innocent life that died to protect you! Go and realize her Erhai dream for that girl!

The ridicule and laughter from the outside world were heard in her ears, she only bit the root of her teeth hard, and did not loosen the bite.

A few pink banknotes landed in front of a pair of feet. Anna Jian didn't think much about it, crawling to pick it up. Suddenly behind him, the son, brother and eldest boy, who was called "Little Li," burst into laughter: "Hey! , Wag your tail. If you don't wag your tail, there is no money to get it."

Anna Jian's body shook, holding the money's hand, holding it tighter, as if to penetrate the banknote and pinch it into his palm.

Someone yelled, "Shake fast!"

"Shake it, bit\*h, shake it!"

"Hey, bit\*h, you don't want money anymore?" That Young Master Li suddenly asked.

money! ... Anna Jian looked at the money in his hands, took a deep breath, and swayed his hips slowly and stiffly, lying on the ground.

"Hahahahaha..." The laughter was even louder, "Oh, I can't do it! Laughing stomach hurts!"

"Whhhhh~ I can't help it anymore. Thinking of my little master, I've played all over the country. I've seen any kind of woman. People who are greedy for money abound, but I'm a little master who is greedy for money. This is the first time I have seen you. Tsk tusk, it's really an eye-opener!"

"Master Steve, is the bit\*h wagging its tail at you?" The young Li said maliciously, "You won't reward her for anything?"

Master Steve! Shen... Xiu Jin? !

In an instant, Anna Jian's heartbeat stopped beating! Slowly, stiffly, and hardly raised her head... This look made her completely bloodless!

Danny Shen sat quietly on the sofa, and the dim light made him look even more expensive and cold.

Danny Shen's gaze fell on Anna Jian's face, and he uttered three words indifferently: "You are so cheap."

Anna Jian bit her back molars, her breathing was instantly disordered, if it weren't for the thick clown makeup, her face at the moment was as gray as that of a dead person!

Fortunately... and this funny makeup to hide the ugliness.

For a while...

Under Danny Shen's gaze, Anna Jian slowly pulled out an incomparably brilliant smile, "Mr. Xie Chen rewards." No one could tell, this sentence almost exhausted her whole body strength and jumped from her back molars. from!

He scolded her for being cheap, and she thanked him for the reward... Is this really the arrogant and arrogant rose in Pearl City?

Anna Jian took a deep breath and turned to look at the little Li: "Young Master Li, I have picked up all the money on the ground. Does what Shao Li said counts?" Young Master Li waved his hand boldly, and Anna Jian wanted to stand up. He did not rush to stop Anna Jian from standing up: "Don't rush to stand up,"

With that said, he walked to the crystal stage and held a glass of wine:

"Before the money is taken away, I invite you to have a drink."

A glass of whiskey was handed to Anna Jian. Anna Jian was still lying on all fours before she stood up.

"I do not....."

Just as Anna Jian was about to refuse, a deep voice sounded slowly: "Wine wine goes well with a beautiful woman, it would be a shame to give her a drink."

It's Danny Shen!

Jane Tong lowered his eyelids to cover the bitterness of his eyes.

Danny Shen, how can you humiliate me to be happy?

“Master Steve said, she is not a beauty?” Li Shao doubted: “I don’t believe it, there can be any ugly people in the Eastern Emperor.

After finishing talking, she looked up at Anna Jian’s face seriously, helplessly, the heavy clown makeup on Anna Jian’s face obscured her true face.

“Don’t believe it?” Danny Shen’s thin lips faintly hooked, and his gaze fell lazily on Anna’s face, “Go wash it off.” Slowly and lazily, and... completely indifferent.

Anna Jian is about to stand up...

“Crawl.” Li Shao said from the side.

His face was white again, Anna Jian’s hands on the ground, stubbornly squeezed the ground... Hold it back! Jane! what is this? This is nothing compared to the three-year prison life!

She really obediently crawled to the bathroom attached to the box. She had no makeup removal tools. She could only use hand sanitizer to wash off the clown makeup on her face. Of course, she was not as clean as the cleansing oil remover, but... enough to see She cleared her thin and ordinary face.

Walked to the door of the bathroom, just opened the door...

“My little master is accustomed to seeing you crawling and walking, and I can’t understand your standing and walking posture,” Shao Li looked at the woman at the door with a smile, “what do you say?”

Anna Jian silently squatted down, lying on the ground, crawling on all fours, her legs were not tight, and she had been crawling on the ground for a long time before, and her face was painful now.

She is piercing, but she stubbornly endures hiding... She said she doesn’t need dignity, she doesn’t have dignity, she doesn’t care about dignity, but subconsciously, she would rather endure pain that men can’t endure, nor die Say something.
